ACCT 50511 Corporate Taxation

Analysis of corporate reorganizations and divisions; carryover of tax attributes; limitations; affiliated corporations; personal holding companies and collapsible corporations.

Textbook: West's Federal Taxation: Comprehensive Volume, 2003 edition

ISBN#: 0-324-15459-3

ACCT 50521 Intermediate Financial Accounting

A survey of case studies covering a broad range of companies and financial topics. Cases involve manufacturing concerns, banking, health care, the transportation industry, and utilities. Small and large firms are represented, as are both national and international companies.

Textbook: Financial Theory and Corporate Policy, 3rd edition

ISBN#: 0-201-10648-5

ACCT 50531 Intermediate Managerial Accounting

The study of managerial accounting emphasizes three different types of management accounting information: i.e., full cost, differential and responsibility. Procedures and methods are examined in their broad applications to cost accounting systems.

Textbook: The Controller's Function: The Work of The Managerial Accountant, 2nd edition

ISBN#: 0-471-38307-4

ACCT 50541 International Accounting

The objectives of the course are to provide an overview of the accounting problems, to review the literature relating to these problems, and to develop the analytical capabilities necessary to deal with international accounting issues.

Textbook: International Accounting and Multinational Enterprises, 4th edition

ISBN#: 0-471-05601-4

ACCT 50551 Auditing

This course deals with auditing standards, ethics, concepts, audit techniques, and reporting practices. Current auditing concepts and prospective developments in professional and internal auditing.

Textbook: Modern Auditing, 6th edition

ISBN#: 0-471-24286-1

CSCI 50551 Intermediate Management Information Systems

Presents innovative strategies for the promotion of information literacy skills. Provides strategies to help find, analyze, synthesize and use information effectively. Explores current issues, such as building an awareness of bias-free materials. Intermediate study.

Textbook: Management Information Systems: Solving Business Problems with Information Technology, 3rd edition

ISBN#: 0-072-48942-1

MS 600 Master's Thesis

Master's Thesis.
